I hope everyone has enjoyed their tennis so far this season, the weather has been fantastic and we haven't had to cancel a Saturday yet (maybe one). We have a lot of new members in the younger age group and they seem to be improving well. Dianna our new coach is working out well and is putting some good programs together for us on Saturdays (even Jim is improving). Hope everyone has a good Christmas and gets lots of practice in with their parents and other junior members over the school holidays.

Regards
